EDUCATION

Bachelor of Fine Arts in Graphic Design

The Art Institute of Dallas
(2012 - December 2016)

INDUSTRY EXPERIENCE

Lennox HVAC *Design* **(Oct 2016-Present)**

Assist in the production of print and digital advertising for Lennox and it's partners. This includes books, flyers and banners, but mainly designing website landing pages as well as accompanying emails for clients.

Press Ink Printing *Design/Production* **(June-Sept2016)**

Responsible for the design and print production of client work. Assisted in the responsibilities of account management with clients, including sending proofs, contacting the client for questions and pickup times.

Tom Thumb *File Maintance Manager* **(2012-2016)**

Served as an assistant in the pricing department where I helped in the organization, printing, and replacement of pricing tags and signs.

Freelance (2013-Present)

I have done branding for Smoke on the Water Barbecue, including logo creation and business stationary using Adobe Illustrator and Indesign.

Created invitations, itinerary, and photography for a wedding. I used Illustrator, Photoshop and Indesign.

Logo Creation of a film company called Prime Millennium using Illustrator.

Texas Oncology cancer awareness banner using Illustrator and Photoshop.
